CE Certified | RoHS compliant | 12-36 VDC | DMX | WIRELESS | COLOR CHANGING RGB-W | DIMMABLE

DATA SHEET
PRO-WIFI DMX 8 ZONE LED CONTROLLER WITH APP
SKU: SA-CTRL-WIFI-DMX

Product Description

Solid Apollo's new Pro-Wifi DMX 8 Zone LED Controller is a smart and powerful DMX controller that allows you to control LED fixtures through 8 zones of 4 DMX addresses over your Wi-Fi with a mobile app. The user-friendly app offers many great features that include: naming and controlling zones in your home or business, zone background image customization, defining type of lighting in each zone ie, single-color LED fixtures, color-changing LED fixtures (RGB and RGB-W), and dynamic-white or white-tunable fixtures, saving up to a total of 64 (8 per zone) different light scenes and recalling them anytime, synchronizing color-changing LED fixtures with music or voice, and the ability to control zones individually or simultaneously. Installation of Pro-Wifi DMX is simple; it connects directly to your router with a simple RJ45 cable (included) and requires absolutely no configuration. The Pro-Wifi DMX Controller also has its own optional local Wi-fi that can be used to pair and control the LED fixtures in the absence of internet Wi-fi. The Controller has three push down terminals for easily connecting data cables to DMX LED fixtures.
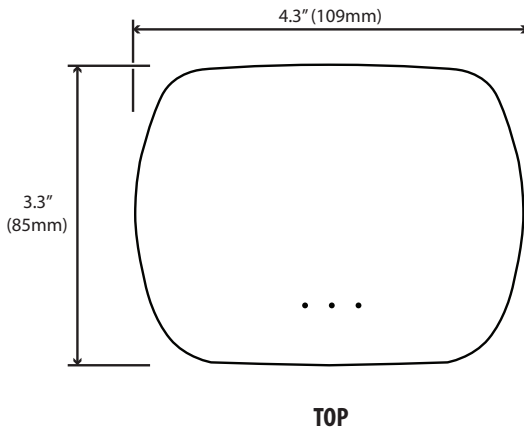

- Controls DMX LED Fixtures Through Phone App via Wi-Fi
- Includes Wi-Fi Hub and Control App
- Multiple Zone Control (Up to 8 Zones/Areas)
- Connect Unlimited Number of DMX LED Fixtures in Each Zone
- RJ45 Input Port for Easy Connection to Wi-fi Router
- Push-Down Terminals for DMX Signal Output to LED Fixtures
- Customizable and User-Friendly App Available for iOS and Android
- Plug and Play Installation
- Control Single-Color, Dynamic-White, Color-Changing (RGB and RGBW) LED Fixtures

Quick Spec.

• **Controllable Zones:**	8	• **Weight:**	0.62 lb	• **Product Color:**	White
• **Dimmable:**	Yes	• **Dimensions:**	Hub: 3.3"x4.3"x0.96"	• **Product Material:**	High-Grade Plastic
• **Input Voltage:**	Hub: 12VDC	• **IP Rating:**	IP20	• **Working Temp:**	32 - 104F
• **Warranty:**	3 Years	• **Control System:**	DMX & Wifi 2.4G	• **Certifications:**	CE, RoHs
